

No STIR/SHAKEN Implementation

VOX CARRIER LIMITED with its registered office at Rooms 2103-04, 21/F, Wing On Centre 111 Connaught Road Central, Hong Kong, registration no. 2485589, (hereafter referred to as „**VOX CARRIER**“) certifies that it commits to respond to all traceback requests from the Commission, law enforcement, and the industry traceback consortium, and to cooperate with such entities in investigating and stopping any illegal robocallers that use its service to originate calls, and that none of the voice traffic that originates on its network is authenticated with STIR/SHAKEN, and that all of the voice traffic that transit on its network is subject to a robocall mitigation program.

Nevertheless, we would like to inform you that **VOX CARRIER** is a foreign voice provider and thus not required and will not implement STIR/SHAKEN call technology. Also, our customers do not have STIR/SHAKEN requirements in their respective markets.

VOX CARRIER will allow wholesale traffic to US without any special conditions (including for service providers who have not registered on the Robocall database). **VOX CARRIER** will monitor its network for suspicious call traffic from customers that could indicate suspected illegal / robocalls, investigate these calls and block the traffic if we believe it to be illegal / robocalling.
