

Robocall Mitigation Plan

Company Name: Page Plus, Inc.
Company Address 3200 South Broadway, Suite 130, Edmond, Oklahoma, 73013
Company Phone: 405-521-8688

Pursuant to 47 C.F.R. § 64.6305, Page Plus, Inc. submits this report on its implementation of the STIR/SHAKEN call authentication framework and its plan to prevent and mitigate illegal robocalls. This report describes the status of its implementation of STIR/SHAKEN and the practices and procedures Page Plus, Inc. has in place to mitigate illegal robocalls as of September 1st, 2026. Page Plus, Inc. may modify, add, delete or otherwise alter any of the policies and procedures described in the plan at any time in order to respond to changes in its business, its capabilities and its needs.

As of September 1st, 2026, Page Plus, Inc. only has DID over SIP traffic on its network. The current status of its STIR/SHAKEN implementation is:

- ☐ My traffic is fully attested.
- ☐ My traffic is partially attested.
- ☒ None of my traffic is attested yet

Page Plus, Inc. has implemented the following robocall mitigation plan to address unlawful robocall traffic:

Page Plus, Inc. operates a network consisting of only inbound DID (direct Inward Dial) phone numbers delivered over SIP to its network and is not capable of generating or originating outbound calls.

Page Plus, Inc. has enforceable terms of use and/or acceptable use policies noted in its contracts. These policies define the circumstances by which the company will deny, suspend, or terminate service to a customer.

Page Plus, Inc. has established methods and procedures to monitor its network and detect / prevent fraudulent activity. The company uses call authentication and call blocking services to protect its networks and consumers from harmful calls. It also uses software to monitor its network's daily usage and has established methods and procedures in place to address issues as soon as they are identified.

Page Plus, Inc. will comply fully with all conditions set forth in the FCC'S 2020 Report and Order mandating the implementation of the STIR/SHAKEN framework, as well as with the Commission's rules and policies more generally.

Page Plus, Inc. has designated an individual as a dedicated point of contact for addressing traceback requests. It either has provided the ITG with the contact information and business hours for those individuals or will do so upon receipt of the first request from the ITG.

Page Plus, Inc. will respond promptly to inquiries from the Industry Traceback Group (ITG). If a pattern of questionable activity is detected Page Plus, Inc. will require its customer to remedy the problem and, if effective action is not taken, service to the customer may be suspended and/or terminated. Requests from the ITG must be submitted in writing and include the following information:

- Company Name:
- Company Address:
- Requestor's Name:
- Requestor's Title:
- Requestor's phone number:
- Requestor's e-mail:

Page Plus, Inc. will cooperate with state and federal regulators to prevent any and all illegal robocalls. Requests from the valid agency must be submitted in writing and include the following information:

- Law Enforcement Agency Name:
- Agency Address:
- Requestor's Name:
- Requestor's Title:
- Requestor's phone number:
- Requestor's e-mail:

Page Plus, Inc. will provide valid law enforcement and regulatory agencies with the relevant non-proprietary information in response to reasonable and legitimate requests about illegal robocalls and suspicious activities, and implement mandated robocall mitigation procedures to the fullest extent possible with the goal of maximizing the mitigation of illegal robocalls.
