

To Whom It May Concern:

Veritas Prepaid Phone Company, LLC is a prepaid phone company selling calling cards....our Inbound/Outbound service providers are registered within the Robocall Mitigation Database .

i.e

GO2TEL - RMD0001351,
ComputerTel, Inc. RMD0001317

Based on the setup – IVR for our call handling system it only allows only one call per xx number of minutes which is not an option used for those companies generating robocalls.

As requested on the 47 CFR § 64.6304. we commit to respond to all traceback requests from the Commission, law enforcement, and the industry traceback consortium, and to cooperate with such entities in investigating and stopping any illegal robocallers that use our service to originate calls.

In addition to this information it is worth to mention we are an small voice service provider as we have way below than 100,000 active voice service subscribers...

§ 64.6304 Extension of implementation deadline.

(a) *Small voice service providers.*

(1) Small [voice service](#) providers are exempt from the requirements of [§ 64.6301](#) through June 30, 2023.

(2) For purposes of this paragraph (a), “small [voice service](#) provider” means a provider that has 100,000 or fewer [voice service subscriber](#) lines (counting the total of all business and residential fixed [subscriber](#) lines and mobile phones and aggregated over all of the provider's affiliates).

Thanks for your attention to this matter.
