

Xoiper Inc

Robocall Mitigation Efforts

- Xoiper Inc. commits to respond to all trace back requests from the Federal Communications Commission, law enforcement and the industry trace back consortium and to cooperate with such entities in investigating and stopping any illegal robo callers from using its Services to originate calls, and that none of the voice traffic that originates on its network is currently authenticated with STIR/SHAKEN and instead that all of the voice traffic that originates on its network is subject to this robo-call mitigation program.
- Xoiper Inc .screens all applicants for its services to determine if they are intending to use such services for autodialing from a database of numbers for purposes of telemarketing without having received written permission from the called parties. Calls to wire line numbers for purposes of political campaigning, market research or polling are deemed legal.
- Xoiper Inc. will block services to a customer if it determines that the customer is using the services for illegal robo calling.
- Xoiper Inc .is blocking all Invalid ANIS.
- Xoiper Inc. will only accept traffic for termination from companies that are in the Robocall Mitigation Database after September 28, 2021
