[REDACTED], FRN [REDACTED], is a wholesale telephone customer of [REDACTED] FRN [REDACTED]. [REDACTED] attests that it has no telephone network beyond [REDACTED] (meaning [REDACTED] does not operate its own switches, [REDACTED] does not lease switches from another entity, [REDACTED] is not a wholesale telephone customer of another phone carrier). [REDACTED] has completed STIR/SHAKEN implementation. Therefore, [REDACTED] filed as completed STIR/SHAKEN implementation based upon [REDACTED] completing STIR/SHAKEN implementation. When [REDACTED] filed in the FCC's Robocall Mitigation Database ("RMD") there was no option or additional notes to notate this. Please feel free to follow up with [REDACTED] to verify this information.
