

Dear Sir or Madam,

Regarding the Robocall Mitigation Plan for LifeOnRecord:

CUSTOMER SCREENING

LifeOnRecord does not terminate any calls. Callers only dial a phone number and leave a message on our PBX system.

VOICE TRAFFIC

Originating calls to a DID are all routed to our PBX and messages are left. Calls are not routed to endpoints.

STIR/SHAKEN Regarding the STIR/SHAKEN implementation, we are eligible for and are taking STIR/SHAKEN implementation extension received under 47 CFR § 64.6304 because we have fewer than 100,000 voice subscriber lines. All the voice traffic that originates on our network is subject to the robocall mitigation program.
