Robinson Consulting, LLC.

Robocall Mitigation:

Robinson Consulting is a gateway provider only and all upstream providers have implemented a robocall mitigation program consistent with 47 CFR § 64.6305(b), which shall include reasonable steps to avoid carrying or processing illegal robocall traffic and shall include a commitment to respond fully and within 24 hours to all traceback requests from the Commission, law enforcement, and the industry traceback consortium, and to cooperate with such entities in investigating and stopping any illegal robocallers that use its service to carry or process calls.

Robinson Consulting manages and monitors all devices that originate call traffic to any external numbers. This monitoring includes patterns and other type of call behavior that can be determined from this monitoring. This is also a violation of our terms and conditions and any customers that are found to be in violation are immediately terminated.
