

Certificate

Tallinn 28th of September 2021

We hereby commit to respond to all traceback requests from the Commission, law enforcement, and the industry traceback consortium, and to cooperate with such entities in investigating and stopping any illegal robocallers that use Prominion's service to originate calls, and that none of the voice traffic that originates on its network is authenticated with STIR/SHAKEN, and that all the voice traffic that originates from Prominion's network is subject to a robocall mitigation program.

Here are our reasonable steps that we have taken to avoid originating illegal robocall traffic as part of Prominion's robocall mitigation program:

1. We have direct contact and contracts with our customers, which allows us to know who is using the phone numbers.
2. We control the voice traffic passing our networks, therefore can also block unwanted or unlawful traffic.
3. As of now following US phone numbers are used by our customers:
