RE: Robocall Mitigation

Dear Sirs,

As of August 2021, all calls originating from Dixie-Net system must be authenticated with by our fusion server. We have disconnected all lines that do not authenticate with our originating server. We Certify that we are committed to any trace back request from the commission or law enforcement to stop illegal robocalls.

Sincerely,

A handwritten signature in black ink, appearing to read "Jerry Windham", written over a horizontal line.

Jerry Windham
