

Veloci Communications, LLC Robocall Mitigation Strategy

Customer Validation:

Veloci Communications, LLC provides services directly to end-users and verifies the business entity,

Business activity & physical location of every customer.

We port all existing numbers to our upstream Tier 1 carriers and only originate or terminate calls with tier 1 carriers each of whom have their own robocall mitigation strategies.

Compliance with Government Agencies:

Veloci Communications, LLC certifies that it commits to respond to all traceback requests from the Commission, law enforcement, and the industry traceback consortium, and to cooperate with such entities in investigating and stopping any illegal robocallers that use its service to originate calls, and that none of the voice traffic that originates on its network is authenticated with STIR/SHAKEN, and that all of the voice traffic that originates on its network is subject to a robocall mitigation program. and all law enforcement agencies who officially & formally subpoena customer records.
