Intulse, LTD (the "Company") is committed to cooperating with the Federal Communications Commission (FCC), law enforcement, and the industry traceback consortium in investigating and stopping any illegal robocallers that it learns are using our service to originate calls or transit calls into the United States and territories.

Intulse, LTD has one upstream provider from which it receives voice traffic:

BCM One Cloud Communications, LLC
295 Madison Avenue FL 5
New York NY 10017
Phone: 212.849.2202
Email: support@flowroute.com

Current Stir/Shaken methodology of upstream provider can be found at:

The Company reserves the right to refuse traffic from any party at any time where robocalling or use of originating numbers that are not valid or they are not authorized to use has occurred or is suspected. The Company does not offer direct trunking and clients can only make calls through The Company's system manually. No automation is supported. The Company is able to block customer calls, including termination of customer relationship to prevent robocalling.
