Subject: Response to RMD Inquiry - Reselling SIP Service from VoIP Innovations

Dear Sir/Madam,

We are writing in response to the recent inquiry regarding our company's resale of SIP services. We would like to clarify that our company, Computer Now, is reselling the SIP service provided by VoIP Innovations.

To substantiate this, we have attached a screen shot documentation that demonstrates our server's exclusive connection to VoIP Innovations' SIP service. This attachment serves as proof of our compliance with the relevant regulations and confirms that our services are solely reliant on VoIP Innovations' infrastructure.
