

LeFutur
P O Box 733
Coppell, TX 75019

To Whom It May Concern:

Due to lack to technical implementation, LeFutur chooses to have No STIR/SHAKEN Implementation – Performing Robocall Mitigation.

LeFutur certifies that it commits to respond to all traceback requests from the Commission, law enforcement, and the industry traceback consortium, and to cooperate with such entities in investigating and stopping any illegal robocallers that use its service to originate calls, and that none of the voice traffic that originates on its network is authenticated with STIR/SHAKEN, and that all of the voice traffic that originates on its network is subject to a robocall mitigation program.

LeFutur also certifies that this document details the specific reasonable steps it has taken, as followed, to avoid originating illegal robocall traffic as part of its robocall mitigation program, and, if applicable, the type of extension or extensions it received under 47 CFR § 64.6304.

LeFutur only makes appointment confirmation calls for doctors and there is no client of ours making outbound calls. All automated calls are initiated by ourselves from AWS.

Sincerely,

A handwritten signature in black ink, appearing to read "Huey Guo". The signature is fluid and cursive, with the first name "Huey" and last name "Guo" clearly distinguishable.
