

Dear Sirs;

GloryFone Communications has No STIR/SHAKEN Implementation – Performing Robocall Mitigation. We certify that it commits to respond to all traceback requests from the Commission, law enforcement, and the industry traceback consortium, and to cooperate with such entities in investigating and stopping any illegal robocallers that use its service to originate calls, and that none of the voice traffic that originates on its network is authenticated with STIR/SHAKEN, and that all of the voice traffic that originates on its network is subject to a robocall mitigation program.

GloryFone Communications has been assured to have its own systems to deliver number A in all the calls that originates on its network, as a way to avoid and prevent any fraud traffic.
