Statement of Compliance

In accordance with FCC Robocall Mitigation initiatives, and in conjunction with the Industry traceback consortium, Knosys Holdings, hereby fully commits to respond fully and in a timely manner to all traceback requests from the Commission, law enforcement, and the industry traceback consortium, and to cooperate with such entities in investigating and stopping any illegal robocallers that use its service to originate calls. Additionally, Knosys Holdings does not sell, service or support nor will we ever sell, service or support any robocall or auto calling services or functions. Our services are performed based on business-to-business needs where live in-person contacts are required. We personally know every one of our clients.

Our company has all (100%) of its phone numbers and voice traffic with Bandwidth.com. All our calls sent over Bandwidth.com are being signed and sent in compliance with STIR/SHAKEN.

Sincerely
C. Gene Lewis
