

**Company Name:** Elevation Education Solutions, LLC  
**FCC Registration Number (FRN):** 0032464695

---

## **1. Overview**

Elevation Education Solutions, LLC is committed to combating illegal robocalls and ensuring compliance with FCC regulations. Our Robocall Mitigation Program implements a combination of technological, procedural, and operational measures to prevent unlawful robocalls originating from or traversing our network.

---

## **2. Call Authentication Practices**

- Elevation Education Solutions, LLC does not send phone calls, instead deals primarily with send SMS messages to parents of students within a school or K-12 education institution.
- 

## **3. Monitoring and Detection**

- Regularly monitor network responses to make sure that any erroneous numbers are blocked and that our system automatically will block messages for users that respond with STOP or Wrong Number.
- 

## **4. Blocking and Mitigation**

- Block SMS messages from numbers with invalid or unregistered in our system.
- 

## **5. Consumer Protection Measures**

- Offer tools for consumers to block unwanted or spam SMS activity.
- 

## **6. Employee Training and Compliance**

- Train staff to identify and address illegal SMS messages.
  - Ensure ongoing compliance with FCC rules and updates by reviewing and revising our program periodically.
- 

## **7. Certification and Reporting**

- Certify that all SMS messages originating on our network comply with FCC requirements for robocall mitigation.

- Submit updates to the Robocall Mitigation Database as needed and participate in any audits or inquiries.
