

Spiro robocall mitigation program

- Spiro is a service provider for B2B in the supply chain industry focused doing business in the US
- Spiro only does business with established registered entities
- Spiro customers can only get access to Spiro after signing a legal agreement that will include language to prevent users spamming prospects via phone calls
- Spiro provides access for users to buy or transfer their phone lines to make sales related calls to their customers.
- Spiro does not and will not provide any mechanism to automate the sequence of calls or power-dialers
