

VOXBONE LETTER OF AUTHORIZATION

Dear Customer:

Thank you for choosing Voxbone as your service provider. As you are aware, you may continue to use your existing telephone number with Voxbone VOIP service. In order to transition your current telephone number to Voxbone VoIP service, Voxbone must work with your previous service provider to ensure that your service is uninterrupted, and where applicable, to ensure that your number is transferred.

Your prior service provider requires this letter as a proof that you have explicitly authorized and requested that your service and current telephone number be transferred to another service provider. By filling in all the information requested below, and signing and dating this letter, you provide us with the authorization to initiate the process of transferring your service and telephone number to Voxbone VoIP Services. You will then be able to use your old number with your new Voxbone service.

Please ensure the following information is completed accurately which will help prevent possible delays.
