

JingCo Inc.
Robocall Mitigation Efforts 9/12/2022

1. JingCo Inc. commits to respond to all traceback requests from the Federal Communications Commission, law enforcement and the industry traceback consortium and to cooperate with such entities in investigating and stopping any illegal robocallers from using its services to originate calls, and that none of the voice traffic that originates on its network is currently authenticated with STIR/SHAKEN and instead that all of the voice traffic that originates on its network is subject to this robocall mitigation program.
2. JingCo Inc. is actively monitoring the calls through their call tagging system in which it identifies suspicious activities by their clients/customers.
3. JingCo Inc. will block calling service to customers if they are using the services for illegal robocalling.
