

VoIPBolt LLC Robocall Mitigation Efforts

Traceback

1. **VoIPBolt LLC** commits to respond to all traceback requests from the Federal Communications Commission, law enforcement and the industry traceback consortium and to cooperate with such entities in investigating and stopping any illegal robocallers from using its services to originate calls, and that none of the voice traffic that originates on its network is currently authenticated with STIR/SHAKEN and instead that all of the voice traffic that originates on its network is subject to this robocall mitigation program.
2. **VoIPBolt LLC** will block services to a customer if it determines that the customer is using the services for illegal robocalling.
3. **VoIPBolt LLC** will only accept traffic for termination from companies that are in the Robocall Mitigation Database after September 28, 2021.

STIR/Shaken Extensions

VoIPBolt LLC is a small voice service provider, serving fewer than 100,000 voice service subscriber lines and therefore qualifies for an extension until June 30, 2023 of STIR SHAKEN Implementation under 47 C.F.R. §64.6304(a), which reads:

§64.6304 Extension of implementation deadline.

- (a) Small voice service providers. (1) Small voice service providers are exempt from the requirements of §64.6301 through June 30, 2023.
(2) For purposes of this paragraph (a), “small voice service provider” means a provider that has 100,000 or fewer voice service subscriber lines (counting the total of all business and residential fixed subscriber lines and mobile phones and aggregated over all the provider's affiliates).
