

Sachi Tech dba Pikmykid robocall mitigation program

- Sachi Tech is a service provider for school safety and dismissal software
- Sachi Tech only does business with established registered entities – specifically in the education space, usually schools
- Sachi Tech customers can only get access to Sachi Tech after signing a legal agreement that will include language to prevent users spamming prospects via phone calls
- Sachi Tech provides access for users at schools to message the other staff of the school as well as parents and limited outside entities who are involved in the safety procedures used by schools
- Sachi Tech does not and will not provide any mechanism to automate the sequence of calls or power-dialers
