

Manx Telecom 0033322975

To whom it may concern. Regarding Manx Telecom Limited's Robocall Mitigation Database entry, we hereby declare the reasonable steps taken to avoid originating illegal robocall traffic, as follows:

- Manx Telecom Limited have our own organic retail traffic from our subscribers + roaming – no steps required as this is genuine conversational traffic and not machine generated.
- Manx Telecom Limited do not sell USA termination to the market and have no plans to do so – step taken, zero chance of inadvertently collecting robocalls.
- Manx Telecom Limited's international voice service providers are registered to the FCC RMD and also provide their own measures for Robocall mitigation.
