

PDF FOR ROBOCALL MITIGATION DATABASE

This PDF contains the specific reasonable steps MCM Telecom has taken to avoid originating illegal robocall traffic as part of its robocall mitigation program.

As MCM Telecom explain in its filing, MCM Telecom is a Mexican company focused on corporate companies not subject directly FCC jurisdiction, notwithstanding the foregoing, MCM Telecom is aware of the efforts make by FCC to mitigate illegal robocall traffic.

Among the steps taken by MCM Telecom to avoid illegal traffic are following:

1. MCM Telecom enter into a formal contract with each of its customers.
2. The contracts set forth the prohibition to customers to use the services for any illegal purpose.
3. The contracts set forth the right of MCM Telecom to suspend or block the services if a customer use the services illegally.
