CERTIFICATION

The undersigned affirms and certifies that all information and answers to questions herein are complete, true and correct to the best of signatory's knowledge and belief.

The undersigned confirms understanding that should the nature of company's business change to include telemarketing or robocall traffic in future, where not indicated within currently, customer is responsible for informing iBASIS in order to update the KYC certification. Failure to do so could result in blocking of customer traffic.

The undersigned certifies that s/he is an officer of the Customer and that the Customer has knowledge of the U.S. laws prohibiting the generation and transmission of illegal, harassing or otherwise unwanted voice calls, and also confirms that Customer complies with these laws and consents to disclose all details if questions arise regarding potential violations of these laws.

The undersigned states that Customer is aware of the communications industry Traceback group in the United States and certifies that Customer will respond promptly to all Traceback requests and take effective steps to address any illegal traffic transmitted on its network.

The undersigned further affirms that Customer requires their upstream customers to cooperate with the industry Traceback group, and makes all reasonable efforts to ensure that its upstream traffic sources are familiar with laws prohibiting the generation and transmission of illegal, harassing or otherwise unwanted voice calls.

I verify that I am authorized to legally bind the Customer by my signature.
