

IP Voice Solutions LLC – Robocall Mitigation Program Statement

Company Name: IP Voice Solutions LLC

Business Address: 776 Plymouth St, Holbrook, MA 02343

IP Voice Solutions LLC is a reseller of interconnected VoIP services delivered via the SkySwitch platform. IP Voice Solutions LLC relies on SkySwitch's network and robocall mitigation framework, including applicable call authentication practices (including STIR/SHAKEN where supported) and robocall mitigation controls, as implemented by SkySwitch and its upstream partners.

IP Voice Solutions LLC maintains reasonable measures designed to prevent the origination and transmission of illegal robocalls on its service, including:

- Verification of customer identity and service activation information
- Investigation and response to suspected unlawful robocall activity
- Monitoring for abnormal calling patterns indicative of fraudulent or unlawful traffic
- Suspension or termination of service for confirmed misuse, consistent with applicable agreements and policies

Platform Provider: PayG LLC dba SkySwitch

SkySwitch Robocall Mitigation Database (RMD) ID: RMD0002940

SkySwitch Address: Arborcrest 1, 751 Arbor Way, Suite 150, Blue Bell, PA 19422

SkySwitch Support: support@skyswitch.com | 747-777-8100

This statement is provided in support of IP Voice Solutions LLC's Robocall Mitigation Database filing.
