

SMB Technologies LLC Robocall Mitigation Compliance with TRACED Act

SMB Technologies LLC (the “Company”) is committed to cooperating with the Federal Communications Commission (FCC), law enforcement, and the industry traceback consortium in investigating and stopping any illegal robocallers that it learns are using our service to originate calls or transit calls into the United States and territories. The Company has fully implemented STIR/SHAKEN. The Company commits to fully responding within 24 hours to all traceback requests from the ITG, the TPTG, the FCC, and law enforcement. The Company shall cooperate with these groups to investigate and stop any illegal robocallers from using Company’s service to carry or process illegal calls. When notified by the FCC’s Enforcement Bureau, Company shall block and report identified illegal traffic, and any substantially similar traffic, on an ongoing basis (unless Company’s investigation determines that the traffic is not illegal) when Company receives actual written notice of such traffic from the Enforcement Bureau. If Company determines that the identified traffic is not illegal, Company shall provide the Enforcement Bureau with an explanation as to why Company reasonably concluded that the identified traffic is not illegal, and what steps it took to reach that conclusion. The Company utilizes the upstream providers listed below to provide additional required compliance and detection. Methods utilized are outlined within the FCC Filing 001534192 for CoreDial LLC. The Company practices Know Your Customer (KYC) requirement to access the Company’s networks.

- We take time to meet with our customers, meet the owners where possible.
- Understand customer business methods.
- Ensure accurate physical addresses identified with the VoIP services.
- Ensure the legitimacy of the customer desiring service.

SMB Technologies LLC has two upstream providers from which it receives voice traffic:

PayG LLC dba SkySwitch
