Subject: Certification of Compliance with 47 CFR § 64.6305(d)(ii)-(iii)

To Whom It May Concern,

This letter is to certify that The Larabell Group, LLC, a provider of voice services to small businesses, is in compliance with the requirements set forth in 47 CFR § 64.6305(d)(ii)-(iii). These regulations pertain to the measures we have taken to mitigate the risk of illegal robocalls and other forms of unlawful communications transmitted over our network.

Details of Compliance:

1. **47 CFR § 64.6305(d)(ii):**

The Larabell Group, LLC has implemented effective call authentication technologies consistent with the STIR/SHAKEN framework for all IP-based voice calls. These measures ensure that all originating, terminating, and intermediate voice service providers can verify the authenticity of the caller ID information associated with each call.

2. **47 CFR § 64.6305(d)(iii):**

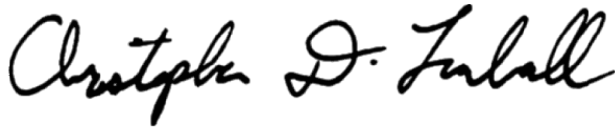

For non-IP-based voice calls, The Larabell Group, LLC has instituted a robocall mitigation program. This program includes the following elements:

- Detailed call pattern analysis to detect and prevent unlawful robocalls.
- Collaboration with upstream and downstream voice service providers to trace back and block illegal calls.
- Regular updates and improvements to our mitigation strategies based on industry best practices and technological advancements.

The Larabell Group, LLC remains committed to protecting our customers from the harm of illegal robocalls and to complying with all applicable federal regulations. We continuously monitor and enhance our systems to ensure robust protection against unlawful communications.

Should you have any questions or require further information regarding our compliance measures, please do not hesitate to contact us.

Sincerely,
