

Robocall Mitigation Plan (RMP) – T CONNECT LLC

Dear Sir/Madam,

T CONNECT has No STIR/SHAKEN implementation – Performing Robocall Mitigation. We certify that it commits to respond to all traceback requests from the Commission, law enforcement and the industry traceback consortium fully and within 24 hours and to cooperate with such entities in investigation and stopping any illegal robocallers that use its services to originate calls and that none of the voice traffic that originates on its network is authenticated with STIR/SHAKEN and that all of the voice traffic that originates on its network is subject to a robocall mitigation program.

We also certifies that any prior certification has not been removed by Commission action and we have not been prohibited from filing in the Robocall Mitigation Database by the Commission, and that we have not implemented the STIR/SHAKEN authentication framework on any portion our network.

We have developed our own system and have whole department to detect, avoid and prevent any fraud traffic.

T CONNECT LLC.
