

V Agents LLC Robocall Mitigation Plan

STIR-SHAKEN IMPLEMENTATION STATUS

Currently V Agents LLC is placing calls through our telecom vendor Telnyx, all outbound calls are required by our telecom vendor to have A-level attestation on calls. Additional guard rails are built into our platform to only dial out on numbers that are owned by us and are only originating on our network through our telecom vendors network.

TRACEBACK REQUESTS

The provider will cooperate with the FCC, and law enforcement on all traceback requests and investigations. To allow for timely and comprehensive law enforcement response efforts against illegal robocallers, the provider will dedicate sufficient resources to promptly complete and provide responses to all traceback requests received from the FCC, and law enforcement, and commit to fully responding to any traceback requests received within 24 hours after receiving them.
