

Renaissance Interactive Media Group D/B/A Red Spot Interactive has been in business since 2009. We are a healthcare technology company that helps Practices with CRM solutions and Patient Engagement Automation.

#### Robocall Mitigation

All customers are only able to place calls originating from phone numbers owned by their business.

TCR Registration is followed during implementation of our software.

We do not have any process to autogenerate calls and all calls are generated by human interaction.

We recognize optin/opt out where necessary.
