

BDCbox LLC an AI Division of MOTOix started in 2024. We are a marketing services and automation company to Automotive, RV, Marine and Powersports that provides CDP and CX plus sales automation.

Robocall Mitigation

All Robocalls will only go to our Member Dealerships salespeople for the foreseeable future, no consumers will be Robocalled. Our Member Dealerships salespeople will be able to initiate calls from their BDCbox app and receive calls through their BDCbox app to consumers, they will be human initiated and human to human conversations.

business.

TCR Registration is followed during implementation of our software.

We do not have any process to autogenerate calls and all calls are generated by human interaction.

We recognize optin/opt out where necessary.
