Know Your Customer Form

The FCC requires that we know our customers and that we understand your right to use originating ANI. This allows us to generate accurate attestation levels on STIR/SHAKEN toKENS. This form helps us better understand you and your customers and helps to ensure compliance with the Federal TRACED Act.

Please fill out this form in its entirety.

This is to affirm that Samama Awais is complying with all Federal, FCC and FTC regulations, that all of the information entered on this form is represented to the best of my ability, and, specifically, that we are complying with the TRACED Act of 2020, the Telephone Consumer Protection Act of 1991, amended (TCPA), and both the Federal and various state's Do-Not-Call (DNC) regulations.

We request "A" level attestation toKENS (STIR/SHAKEN toKENS) and will provide a list of our DIDs along with proof of ownership of these DIDs under the provisions of the TRACED Act.

Our failure to comply with the TRACED Act or TCPA provisions may result in immediate suspension, without notice, of our account or it may result in an automatic shift to "C" level attestation on all calls produced.
