

Robocall Mitigation Program Description

Company Information:

- **Business Name:** Techner Ltd
- **Business Address:** 248 Kempshott Lane, Basingstoke, RG225LS, UK
- **Type of Service:** Free 0870 calling service, not originating US/CA calls directly.

Exemption Justification

Techner Ltd does not originate calls requiring STIR/SHAKEN implementation. Our service facilitates connections via third-party telecom providers, making us exempt under **47 CFR § 64.6301**.

Robocall Mitigation Measures

- **User Verification:** We ensure that only legitimate users access our services.
- **Fraud Detection:** Monitoring for irregular call patterns to prevent misuse.
- **Compliance:** Responding to FCC traceback requests within **24 hours**.
- **Preventive Actions:** Blocking numbers suspected of robocall activity.

Compliance Statement

We are committed to cooperating with regulatory authorities and following industry best practices to prevent robocalls.
