

Nobelbiz Technology Corporation

Robocall Mitigation Plan

Call Roles - **Voice Service Provider**

- Nobelbiz Technology Corporation is in the process of fully implementing the STIR/SHAKEN authentication framework on its entire network, and expects to complete the implementation within 60 days of the submission of this filing.
- Nobelbiz Technology Corporation meets its existing obligations to take affirmative, effective measures to prevent new and renewing customers from originating illegal calls by taking the following actions:
 - Requesting key details from new clients, including their physical address, primary points of contact (name, email, phone number, and address), and company website(s).
 - Ensuring that the provided business telephone number is valid and aligns with the registered company information.
 - Requiring clients to conduct initial traffic testing to confirm that calls originate from numbers they are authorized to use.
 - Verifying the functionality of the provided phone numbers by placing test calls to ensure they perform as expected.
 - Requiring clients to certify that they will only place calls to numbers they have permission to dial, including the use of Do-Not-Call (DNC) solutions where applicable.
- Nobelbiz Technology Corporation commits to respond fully and in a timely manner to all traceback requests from the Commission, law enforcement, and the industry traceback consortium, and to cooperate with such entities in investigating and stopping any illegal robocallers that use its service to originate calls.
- Nobelbiz Technology Corporation certifies that it has not been prohibited from filing in the Robocall Mitigation Database
- Nobelbiz Technology Corporation has not been subject to a Commission, law enforcement, or regulatory agency action or investigation due to suspected unlawful robocalling or spoofing and provide information concerning any such actions or investigations
- At no time in the prior two years, has Nobelbiz Technology Corporation (or any entity for which the filing entity shares common ownership, management, directors, or control) been the subject of a formal Commission, law enforcement, or regulatory agency action or investigation with accompanying findings of actual or suspected wrongdoing due to the filing entity transmitting, encouraging, assisting, or otherwise facilitating illegal robocalls or spoofing, nor has Nobelbiz Technology Corporation
