

Certification of Tigunia, LLC as a Voice Service Provider

This document serves as the formal certification of Tigunia, LLC ("Tigunia"), a voice service reseller, in compliance with the Federal Communications Commission (FCC) regulations outlined in 47 CFR § 64.6305(d)(2). Specifically, Tigunia is a reseller of voice services originated by Telnyx.

(i) Extension Status and STIR/SHAKEN Implementation:

Tigunia is not a foreign voice service provider. Telnyx represents that it is compliant with STIR/SHAKEN. Tigunia resells Telnyx services.

No extensions were requested or received under § 64.6304.

(ii) Robocall Mitigation Program:

Tigunia has implemented a comprehensive robocall mitigation program to prevent the origination of illegal robocall traffic. This program includes the following elements:

- **Customer Due Diligence (Know Your Customer - KYC):** Tigunia adheres to the obligations outlined in 47 CFR § 64.1200(n)(4) by implementing a rigorous KYC process. This includes verifying customer identity through documentation, conducting background checks, and monitoring customer activity.
- **Upstream Provider Due Diligence:** We maintain procedures to vet and monitor our upstream providers. This includes contractual agreements requiring compliance with robocall mitigation standards, regular audits, and monitoring of traffic patterns.

(iii) Traceback Cooperation:

Tigunia is committed to responding to all traceback requests from the FCC, law enforcement agencies, and the industry traceback consortium within 24 hours. We will fully cooperate with these entities in investigating and stopping illegal robocallers who utilize our services.

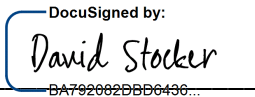

(iv) Prior Regulatory Actions or Investigations:

- **No Prior Actions:** To the best of our knowledge, neither Tigunia nor any entity sharing common ownership, management, directors, or control has been the subject of any formal Commission, law enforcement, or regulatory agency action or investigation with accompanying findings of actual or suspected wrongdoing due to the filing entity transmitting, encouraging, assisting, or otherwise facilitating illegal robocalls or spoofing, or a deficient Robocall Mitigation Database certification or mitigation program description, within the past two years.

Certification Statement:

This certification is made in accordance with 47 CFR § 64.6305(d)(3). This document will be filed in the appropriate portal on the FCC's website and is signed by an officer of Tigunia in conformity with 47 CFR § 1.16.
