

## **UCRight Robocall Mitigation Program**

- UCRight is a communications solution provider serving small, medium and large enterprises, mostly headquartered in the US.
- UCRight only conducts business with established registered entities.
- UCRight customers must sign agreement language to prevent users spamming prospects via phone calls.
- UCRight provides access for users to buy or transfer their phone lines using services such as SIP and Direct Routing leveraging our partner Bandwidth.com.
- UCRight does not and will not provide any mechanism to automate the sequence of calls or power-dialers.
