

IP4Hire Robocall Mitigation Program

- IP4Hire is a communications solution provider serving small, medium and large enterprises, mostly headquartered in the US with VoIP services.
- IP4Hire only conducts business with established registered entities.
- IP4Hire customers must sign agreement language to prevent users spamming prospects via phone calls.
- IP4Hire provides access for users to buy or transfer their phone lines using services such as SIP and Direct Routing leveraging our partner Bandwidth.com.
- IP4Hire does not and will not provide any mechanism to automate the sequence of calls or power-dialers.
