

Robocall Mitigation Database Certification Statement

Phone 24x7 Corporation hereby certifies the following:

- * We verify outgoing caller-id to ensure it belongs to the customer.
- * We do not provide robo-calling facilities to our customers.
- * Our carriers fully implement STIR/SHAKEN on their networks.
- * We will fully cooperate with Traceback requests and law enforcement inquiries.
- * We will immediately investigate suspicious or illegal robocall activity and terminate the customer found to be originating such traffic.
