

CEBER Telecom – Robocall Mitigation Plan

Date: July 06, 2025

Date: July 06, 2025

Company Name: CEBER Telecom

Business Address: 838 Broadway, New York, NY 10003, USA

Phone Number: +1 (332) 322-7849

Email Address: cebertelecom@gmail.com

1. Description of Robocall Mitigation Efforts:

CEBER Telecom certifies that it has implemented effective measures to prevent the origination of illegal robocalls on its network. These measures include a combination of traffic monitoring, automated call pattern detection, and manual verification of high-risk call profiles.

2. Call Authentication:

At this time, CEBER Telecom does not originate calls directly on the public switched telephone network (PSTN). However, CEBER Telecom partners only with upstream providers that are registered in the FCC Robocall Mitigation Database and support STIR/SHAKEN authentication or robust robocall mitigation programs.

3. Customer Vetting and Monitoring:

CEBER Telecom performs due diligence in onboarding customers. This includes identity verification, traffic profiling, and ongoing monitoring of call behavior to identify suspicious patterns. Customers who are found in violation of our Terms of Service or FCC regulations are immediately suspended or terminated.

4. Contact Information for Complaints or Concerns:

For any robocall-related issues, concerns, or complaints, please contact us at:

Email: cebertelecom@gmail.com

Phone: +1 (332) 322-7849

5. Certification Statement:

I certify under penalty of perjury that the information provided in this Robocall Mitigation Plan is true and accurate to the best of my knowledge and that CEBER Telecom is taking reasonable steps to prevent the origination of illegal robocalls.
