(1)Activities are registered in the CBE using NACE-BEL codes (Belgian classification of activities). Activities registered of the NACE-BEL codes (version 2003) were stopped on 31/12/2007, automatically converted to the NACE-BEL codes (version 2008) and registered with a start date of 01/01/2008. This was a mere administrative conversion and no modification of the activity itself.

(2)Activities are registered in the CBE using NACE-BEL codes (Belgian classification of activities). Following a conversion of activities with a NACE-BEL code (2003 version) to NACE-BEL codes (2008 version), the start date of activities (2008 version) is 1/01/2008. Activities with a NACE-BEL code (2008 version) were then stopped on 31/12/2024 and automatically converted to NACE-BEL codes (2025 version). These were mere administrative conversion and no modification of the activity itself. The 2003 activities can be accessed by clicking on the link : "Show the NACE-BEL codes activities version 2003".
