

Outbound Service Order

This Outbound Service Order ("Service Order") is entered into by and between DIDWW Ireland Limited ("DIDWW") and the undersigned **Career Free Institute LLC** ("Customer"). By signing this Service Order, Customer acknowledges that it has completed the Outbound Voice Trunk Application in its DIDWW account and agrees to procure DIDWW's Outbound Voice Termination Services ("Services") under the terms set forth herein, as well as those outlined in DIDWW Terms & Agreements, available at <https://www.didww.com/DIDWW-Terms-and-Agreements>, and the accompanying Service Description.

1. Commercial Conditions

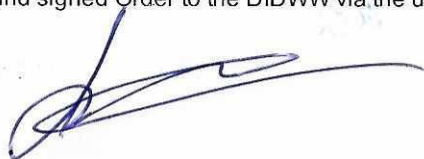

Services	Outbound Voice Termination (https://www.didww.com/DIDWW-Service-Appendix)
Applicable Pricelist	DIDWW Outbound Trunk Rates (available in Customer account)
Payment Terms	Prepaid
Special Terms	N/A

2. Billing and Special Terms

- Usage is billed per minute with a default 60/60 billing interval, unless stated otherwise in the applicable Pricelist or this Service Order. Country-specific rates, billing intervals, and any applicable additional fees are detailed in the Traffic Rate Sheet, available in the Customer's account.
- Charges apply in real-time as usage occurs. Rates may be updated with seven (7) days' prior notice.
- There are no capacity limitations. Customers may configure concurrent call limits via Customer account. The Customer acknowledges and understands all risks associated with the Service, including financial exposure from unintended traffic. SUPPLIER is not liable for any resulting losses.
- DIDWW shall transmit the CLI in compliance with applicable international rules and standards from the point of entry to the point of exit of its network. If Customer selects a CLI format other than the default E.164 format, Customer acknowledges and accepts full responsibility for any consequences arising from the altered presentation.
- Customer must comply with Do Not Originate (DNO) regulations and any applicable national rules preventing the misuse of numbering resources. DIDWW reserves the right to take immediate action, including service suspension, if a violation is detected.
- The Service must not be used for unauthorized callback calls, including but not limited to automated systems generating calls with the intent to trigger callbacks. If such activity is detected, DIDWW reserves the right to apply additional charges, restrict access, or suspend the service.
- The service must not be used to bypass surcharges for international calls between EU countries and the rest of the world. If such use is detected, DIDWW will apply the difference between Origin-based rates and International rates to the applicable traffic and charge this difference to the Customer.

3. Signatures

This Service Order is considered concluded upon submission by the Customer. The Customer should submit the completed and signed Order to the DIDWW via the usual communication channel.
