- Type of Provider: VoIP / Carrier Reseller
- Contact Information: [Kyle King, Owner, 334-246-4913, kking@kingnams.com]

2. STIR/SHAKEN Implementation

King Network and Media Services, LLC utilizes Viirtue's upstream carrier services, which fully implement the STIR/SHAKEN caller ID authentication framework on all SIP-based interconnections. All calls transmitted on our network are authenticated and verified consistent with FCC requirements.

3. Robocall Mitigation Practices

Because our network is fully STIR/SHAKEN enabled, King Network and Media Services, LLC does not rely on alternate robocall mitigation techniques.

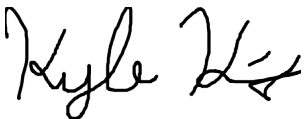

We cooperate fully with traceback requests from the Industry Traceback Group (ITG) and regulatory authorities.

4. Point of Contact for Tracebacks
