

Professional IT & VoIP Services

I, William Doomy certify that all calls originating on your network are subject to a robocall mitigation program consistent with 47 CFR § 64.6305(a). This includes:

- Responding within 24 hours to all traceback requests from the FCC, law enforcement, and the industry traceback consortium (e.g., Industry Traceback Group).
- Providing identifying information about call originators.
- Taking affirmative steps to mitigate illegal robocall traffic (e.g., blocking suspicious calls, using analytics tools).
- he filer also certifies that any prior certification has not been removed by Commission action and it has not been prohibited from filing in the Robocall Mitigation Database by the Commission, and that it has fully implemented the STIR/SHAKEN authentication framework across its entire network and all calls it originates are compliant with 47 CFR § 64.6301(a)(1) and (2).
