

Telebiz International (Labuan) Corporation

1. We have involved our tech team to work on the possible scenarios of illegal robocalling and how to mitigate those scenarios.

For example:

- a. Blocking calls to USA having duration less than 6 seconds.
- b. Block calls burst to USA.
- c. Working with reliable customers/partners to insure the mitigation.
- d. Traceback participation.

2. We have notified our customers from where there are possibilities of generation of illegal robocalling.
