

Robocall Mitigation Program Description

Filing Entity: Buzz Marketing LLC

RMD ID:

Date: November 20, 2025

Contact Email for Traceback Requests: uce@itsbuzzmarketing.com

1. Purpose

The purpose of this Robocall Mitigation Program (RMP) is to ensure compliance with 47 CFR § 64.6305 and 47 CFR § 64.1200, and to prevent, detect, and mitigate the origination of illegal robocalls from the filer's network. This program applies specifically to the filer in its capacity as a Voice Service Provider (VSP), responsible for originating voice traffic on its network.

2. Scope

This RMP applies to all voice traffic originated by the filer as a Voice Service Provider. The filer is in the process of implementing STIR/SHAKEN across its network once its OCN is assigned.

3. Robocall Mitigation Measures

Traffic Monitoring:

The filer continuously monitors call traffic patterns to detect suspicious or high-risk activity.

Call Frequency Limits:

In compliance with 47 CFR § 64.1200, the filer limits prerecorded or artificial voice calls to residential lines without prior express consent to no more than 3 calls in any consecutive 30-day period.

Traceback Response:

The filer responds fully and within 24 hours to traceback requests from the FCC, law enforcement, and the industry traceback consortium.

Contact for traceback requests: **uce@itsbuzzmarketing.com**

Cooperation and Investigation:

The filer cooperates with regulatory authorities and traceback investigations to prevent illegal robocall origination.

Staff are trained to escalate suspicious activity immediately.

Program Updates:

The RMP is reviewed periodically and updated as necessary to address emerging threats, regulatory changes, and network expansion.

4. Compliance Commitment

The filer certifies that it:

Has not had any prior certifications removed by Commission action.

Has not been prohibited from filing in the Robocall Mitigation Database by the Commission.

Is committed to implementing STIR/SHAKEN fully across its network as soon as operationally feasible.
