

ROBOCALL MITIGATION PROGRAM DESCRIPTION
Pursuant to 47 CFR § 64.6305

Filing Entity: AGIL COMERCIAL DO BRASIL INFORMATICA E COMUNICACAO LTDA
FCC Registration Number (FRN): 0037692712.
Country of Incorporation: BRAZIL
Date: 12/04/2025

1. COMPANY OVERVIEW

AGIL COMERCIAL DO BRASIL INFORMATICA E COMUNICACAO LTDA is a foreign telecommunications carrier incorporated under the laws of BRAZIL, with its principal place of business located at Rua Dr. Zuquim, 1342, Santana, São Paulo/SP – CEP: 02035-022 - Brazil. The company does not maintain any physical presence, customers, or end users within the United States.

The company provides international telecommunications services exclusively to customers located outside of the United States and does not directly provide telecommunications services to U.S. consumers.

2. ROLE IN THE U.S. CALL PATH

The company does not originate voice traffic to U.S. end users. Any voice traffic that transits through or terminates within the United States is routed exclusively through a U.S.-based carrier that is fully registered with the FCC and listed in the Robocall Mitigation Database.

The U.S.-based carrier is solely responsible for:

- STIR/SHAKEN call authentication;
- Robocall detection and mitigation;
- Compliance with all FCC robocall-related rules on the U.S. network segment.

3. STIR/SHAKEN IMPLEMENTATION

As a foreign provider without U.S. customers or end users, AGIL COMERCIAL DO BRASIL INFORMATICA E COMUNICACAO LTDA does not have a direct obligation to implement STIR/SHAKEN within the United States. STIR/SHAKEN authentication responsibilities are fully handled by the U.S.-based carrier through which all traffic is routed.

4. ROBOCALL PREVENTION MEASURES

Although AGIL COMERCIAL DO BRASIL INFORMATICA E COMUNICACAO LTDA does not originate calls to U.S. consumers, the company maintains internal policies and commercial controls to prevent illegal robocall traffic, including:

- Commercial agreements with upstream providers requiring compliance with applicable anti-robocall regulations;
- Continuous traffic monitoring for unusual calling patterns;
- Immediate suspension of any traffic suspected of fraudulent, illegal, or abusive activity;
- Cooperation with upstream and downstream carriers in traceback investigations.

5. CUSTOMER POLICIES AND TRAFFIC SCREENING

All customers of AGIL COMERCIAL DO BRASIL INFORMATICA E COMUNICACAO LTDA are subject to:

- Know Your Customer (KYC) procedures;
- Contractual prohibitions against robocalling, spoofing, fraud, and unlawful call practices;
- Immediate termination for violations of applicable laws and carrier policies.

6. TRACEBACK COOPERATION

AGIL COMERCIAL DO BRASIL INFORMATICA E COMUNICACAO LTDA commits to fully cooperate with the Industry Traceback Group (ITG), USTelecom, and U.S. carriers in any traceback investigation involving traffic that transits through its network.

7. CERTIFICATION

The undersigned certifies that the information contained in this Robocall Mitigation Program Description is true, accurate, and complete, and that the company complies with the requirements of 47 CFR § 64.6305 to the extent applicable.

December 4th, 2025.
