

Robocall Mitigation Program

Filed in accordance with FCC 47 CFR §64.6305 and Robocall Mitigation Database Instructions

1. Company Identification

Legal Name: Damon Technology, LLC

FCC Registration Number (FRN): 0029637626

Entity Type: Voice Service Provider

2. STIR/SHAKEN Implementation Status

Damon Technology, LLC has fully implemented STIR/SHAKEN authentication in its IP-based voice network in accordance with FCC requirements. All originating calls are signed where technically feasible, and verification is performed on inbound calls.

3. Robocall Mitigation Plan

Damon Technology, LLC has implemented a Robocall Mitigation Program designed to prevent the origination and transmission of illegal robocalls. The program includes reasonable and effective measures tailored to the company's role as a Voice Service Provider.

Know Your Customer (KYC) Procedures

Damon Technology, LLC performs Know Your Customer (KYC) due diligence prior to onboarding new customers. This process includes identity verification, validation of business purpose, confirmation of lawful calling practices, and assessment of potential robocall risk. Customer information is reviewed and maintained throughout the relationship.

Ongoing Monitoring and Enforcement

Traffic is monitored for indicators of illegal or suspicious robocall activity. Damon Technology, LLC reserves the right to investigate, block, suspend, or terminate service for customers that violate applicable laws, FCC rules, or company policies.

Traceback Cooperation

Damon Technology, LLC commits to fully cooperate with FCC, law enforcement, and industry traceback organizations, including responding to traceback requests within 24 hours.

4. Robocall Mitigation Contact

Name: Ken Staker

Title: Manager

Email: ken.staker@damontek.com

Phone: 602-600-6321

5. Compliance and Maintenance

Damon Technology, LLC certifies that this Robocall Mitigation Program is implemented in good faith and will be updated as required. The company acknowledges its obligation to update its Robocall Mitigation Database filing within 10 business days of any material change.

Certification

I certify under penalty of perjury that the information contained in this Robocall Mitigation Program is true and accurate to the best of my knowledge and that Damon Technology, LLC has implemented the practices described herein.
