

Robocall Mitigation Program Description

Filer Name: Mehrling Studios

FCC Registration Number (FRN): 0037769585

Mehrling Studios operates as an outsourced sales and lead generation service provider conducting outbound calls exclusively on behalf of U.S.-based clients.

Mehrling Studios does not provide telecommunications services to the public, does not resell voice services, and does not operate a voice service provider network that assigns or authenticates caller ID information using the STIR/SHAKEN framework. All calls are originated using upstream voice service providers that are responsible for STIR/SHAKEN implementation where applicable.

Pursuant to **47 CFR § 64.6305(d)(1)** and related FCC guidance, Mehrling Studios is exempt from STIR/SHAKEN implementation obligations. In accordance with **47 CFR § 64.6305(a)**, Mehrling Studios maintains the following robocall mitigation measures:

- Calls are placed only using client-provided or client-approved lead lists
- Dialling activity is agent-assisted or human-initiated
- No prerecorded or artificial voice messages are used
- Call volumes and traffic patterns are actively monitored
- Any campaign exhibiting abnormal behaviour or complaints is immediately suspended
- Full compliance with TCPA, Do-Not-Call regulations, and applicable consent requirements
- Cooperation with upstream voice service providers and traceback requests from regulators or industry partners

Mehrling Studios is committed to preventing illegal robocalls and maintaining compliance with all applicable FCC rules and industry standards.
