

# Robocall Mitigation Program Description

**Company Name:** VoIPenix LLC

**FCC Registration Number (FRN):** 0037706215

**Employer Identification Number (EIN):** 412584334

## 1. Company Overview

VoIPenix LLC is a communications technology company that provides voice-related services using FCC-authorized upstream U.S. telecommunications carriers. VoIPenix LLC is committed to preventing illegal robocalls and maintaining full compliance with all applicable FCC robocall mitigation requirements.

## 2. STIR/SHAKEN Implementation Status

VoIPenix LLC does not directly operate or control public switched telephone network (PSTN) infrastructure. All outbound voice traffic is transmitted through upstream FCC-authorized carriers that have fully implemented STIR/SHAKEN authentication.

## 3. Robocall Mitigation Measures

VoIPenix LLC employs comprehensive robocall mitigation measures, including continuous monitoring of calling patterns, enforcement of acceptable use policies, customer vetting procedures, immediate suspension or termination of non-compliant customers, and cooperation with upstream carriers to prevent illegal robocalls.

## 4. Response to Traceback Requests

VoIPenix LLC commits to responding promptly and fully to all traceback requests from the FCC, law enforcement agencies, and authorized industry traceback groups.

## 5. Ongoing Compliance

VoIPenix LLC regularly reviews, updates, and enhances its robocall mitigation program to ensure ongoing compliance with FCC rules and industry best practices.

I certify under penalty of perjury that the information contained in this Robocall Mitigation Program Description is true and accurate to the best of my knowledge.
