Part 1: STIR/SHAKEN Implementation Status

GlitchDigger Security Inc. has not implemented STIR/SHAKEN on its own network. The filer utilizes QuestBlue as its upstream originating SIP trunk provider. Pursuant to 47 CFR § 64.6301(a)(2), all outbound calls originated by the filer are transmitted to QuestBlue, which authenticates and signs the calls with STIR/SHAKEN before they reach the public switched telephone network (PSTN).

Part 2: Robocall Mitigation Program

In accordance with 47 CFR § 64.6305(b)(3), GlitchDigger Security Inc. has implemented the following robocall mitigation program, which includes reasonable steps to avoid originating illegal robocall traffic:

A. Reasonable Steps to Avoid Originating Illegal Robocalls

- 1. No Autodialing Equipment:** The filer does not use, and prohibits the use of, any autodialer, predictive dialer, or automated calling equipment on its network.
- 2. Manual Call Origination Only:** All calls are manually initiated by authorized company personnel. No automated or pre-recorded voice calls are originated.
- 3. Restricted System Access:** No third-party access to the filer's telephone system is permitted. Only authorized employees may originate calls.
- 4. Low Call Volume:** The filer's operations involve minimal call volume (estimated less than 500 minutes per month) for internal business communications only.
- 5. No Bulk Calling Services:** The filer does not offer, and prohibits the use of its network for, bulk calling, telemarketing, or mass notification services.

B. Commitment to Cooperate with Traceback Requests

The filer commits to responding fully and within 24 hours to all traceback requests from: - The Federal Communications Commission - Law enforcement agencies - The Industry Traceback Group (ITG) / USTelecom consortium

C. Commitment to Cooperate with Investigations

The filer commits to cooperating with the Commission, law enforcement, and the industry traceback consortium in investigating and stopping any illegal robocallers that may use its service to originate calls.
